

A woman with dark hair tied back is posing on a wooden deck. She is wearing a peach-colored, one-piece swimsuit with a circular cutout at the waist. She is shielding her eyes from the sun with her right hand. The background is a clear blue sky with some light clouds. The image has a warm, golden-hour lighting.

Photo and Video Production

2024 Edition

We scout, set and shoot

Professional photographs and videos are the key to introducing you to your future customers, gain their trust then turn that into sales. So it is important to invest in a professional production service and we can help you do just that.

We have a team of professional producers, photographers, videographers, MUAs, models, and fashion stylists who will translate your brand identity into marketable visuals, through images, videos for campaigns, catalogs, or even lifestyle.

Most marketing in this digital age is done online where you will need to be able to represent your brand visually, and we aim to provide you the tools to build a profitable business.

Campaign

Series of images and videos that tell stories about your brand and create an ambiance about a certain collection. These sets are usually a little bit more lifestyle and less product focus. It can be used for ads, social media, website banner, and other promotional channel.

Catalog

Product focused shoot that is done in a studio with a white/ plain background. they provide a clear and detailed images/videos that you need for selling on e-commerce as it gives customer a clear look on the product.

Ghost mannequin + Mock up

Ghost image shows items of clothing with the shape of someone wearing it without a real human in view.
You will get 2 images (Front + Back) of 1 style

Mock-up image is an additional editing to add colors/ prints of your choice on the ghost image.

Example: You can take ghost image of 1 style of clothing and add 10 different prints.

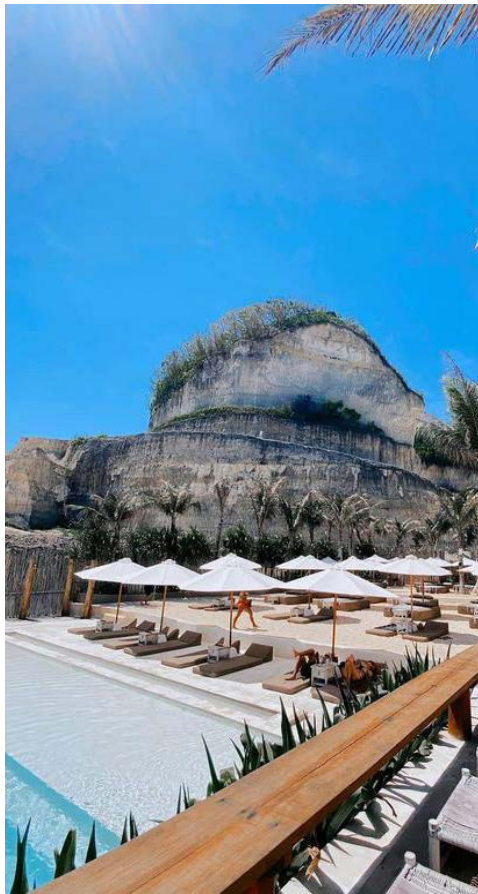

Location

You don't have to fly halfway around the world to set up your production. We are based in Bali, Indonesia where the weather is nice most year round. From white sandy beaches to mystical black volcanic sand beaches, beach clubs with bohemian and modern vibes, beautiful rice paddies, countless traditional luxe villas, and a handful of photo studios are at your disposal.

Minimum booking for product shoot is 10 products with top and bottom counted as separates. If you have less than that, you will still need to get the full package. Any additional product can be charge per product on top of the package, e.g. if you have a total of 15 products, you can get a full package plus 5 additional products. If you have 20 products, then you can get 2 full packages.

Mock-up package includes 1 ghost image + 1 mock-up for every 10 products. If you want 1 ghost image + 3 mock-ups (of different color/ print), you can get 2 additional mock-up image price. If you have 15 styles that include 1 ghost image + 1 mockup, it will be a full package plus 5 additional ghost + mock-up images.

The package include 2 angles for every product shot.

Please note that we can only do mock-up edit on plain white product.
