Ready Design

Buy samples and bulk on shop.baliswim.com now!

Ready Design is our ready-to-go collection of resort wear designs! Choose the pieces you like and adorn with your very own branding – and they’re ready to sell! Each year, we conduct extensive research on what’s women’s apparel is in, what’s out, and what is the upcoming trends are for the season ahead. From there, we create a collection of styles that include those on-trend styles and re-worked classics.

You can mix and match tops and bottoms between any styles. You could even combine them with your custom designs to flesh out your resort line. The Ready Design styles are available in selected fabrics in upcoming color trends and prints. There are no development costs (pattern making & grading) with ready design. You only pay per piece. This method offers you the quickest, simplest, and most affordable method to manufacture your own resort wear label.

Custom Design

Custom Design is where your ideas shine! For us to develop your dream resort wear or women’s apparel we want to understand your ideas clearly. Ideally this means complete tech specs + patterns or samples of what you want to develop. But since we also work with non-designers we are definitely flexible. We have example templates (which we call sample specs) with clear instructions of how to start and what we need from you. This could include pictures of products you like with notes on any adjustments. We’ll happily guide you.

Extra Notes Feel free to take design inspiration from our Ready Design range – taking parts from one design and adding to another or combining them with your own ideas.

Ready Design
2022

You can buy samples and bulk of it right now at shop.baliswim.com!

Mix and match tops and bottoms between any styles you wish. You could even combine our designs with your own to complete your resort line. Take the designs as they are (and add your choice of colors) and you’ll have a development fee-free experience (pattern making & grading)!

You only pay for what you order (the full price list can be seen at the end of this catalog).

If you want other styles or to adjust the cuts of our styles in other ways, you can - but we’ll treat it as a custom design and we need to re-develop the style from scratch. This would include development fees.

Adding or switching a small accessory detail is most likely acceptable without re-development. If you have a special request, just ask! We’ll do what we can to help.

We will be releasing new designs yearly, both classics and on-trend.
